Ranjit found the village full of natural beauties, simple men and women, deprivation, lack of education, inequality, superstitions, caste wise discrimination, exploitation. He started writing poems in bengali at the age of 13. His resources, at the outset, were stories of the mahabharata mainly and also from the ramayana. He got his masters and ph.D., in science from the most reputed university and institution in india, located in kolkata. Though by nature he was more inclined to literature.
