

Magpie Murders (Hardback)

Filesize: 8.42 MB

Reviews

Very helpful to any or all category of folks. It is written in simple phrases rather than difficult to understand. It has been developed in an exceptionally simple way and is particularly just after I finished reading this pdf in which basically transformed me, modify the way in my opinion.

Harper, 2017. Hardback. Condition: New. Language: English . Brand New Book. Magpie Murders is a double puzzle for puzzle fans, who don't often get the classicism they want from contemporary thrillers. --Janet Maslin, The New York Times *A New York Times bestseller *#1 Indie Next Pick *NPR best book of 2017 *Amazon best book of 2017 *Washington Post best book of 2017 *Esquire best book of 2017 From the New York Times bestselling author of Moriarty and Trigger Mortis, this fiendishly brilliant, riveting thriller weaves a classic whodunit worthy of Agatha Christie into a chilling, ingeniously original modern-day mystery. When editor Susan Ryeland is given the manuscript of Alan Conway's latest novel, she has no reason to think it will be much different from any of his others. After working with the bestselling crime writer for years, she's intimately familiar with his detective, Atticus Pund, who solves mysteries disturbing sleepy English villages. An homage to queens of classic British crime such as Agatha Christie and Dorothy Sayers, Alan's traditional formula has proved hugely successful. So successful that Susan must continue to put up with his troubling behavior if she wants to keep her job. Conway's latest tale has Atticus Pund investigating a murder at Pye Hall, a local manor house. Yes, there are dead bodies and a host of intriguing suspects, but the more Susan reads, the more she's convinced that there is another story hidden in the pages of the manuscript: one of real-life jealousy, greed, ruthless ambition, and murder. Masterful, clever, and relentlessly suspenseful, Magpie Murders is a deviously dark take on vintage English crime fiction in which the reader becomes the detective.
