Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Abbott Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Anecdotes and real case studies ripped from the headlines about what doctors did which got them into trouble either with Medicare, HIPAA, The Office of Inspector General (OIG) or worse the FBI. The case studies are true stories of medical professionals: Some are about providers just like you trying to navigate the complex maze of the medical billing process. This guide will help you recognize the red flags and triggers so you can avoid a Medicare Audit. Learn about common problems that plague medical practices. Discover what your peers have done right and what they have done wrong. Avoid the costly billing mistakes and practice mismanagement showcased in Medical Billing Horror Stories. With the changes, challenges and uncertainties facing the Healthcare industry you can t afford to miss this information. If you submit even one claim for reimbursement this is a must read!.
