Damian Garcia: PhD Drug Smuggler (Paperback)

By Chris Mosquera

Outskirts Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. DAMIAN GARCIA: THE OPIUM/HASHISH NETWORK. This is a story of Damian Garcia, and the international drug trade in Opium and Hashish, by graduate students in New York City, circa 1972. It is a story of friendship, family, loyalty, and an exceedingly discreet and extremely profitable international drug smuggling business plan. The business plan was a new combination of Opium and Hashish product, the family branded as O/H. The targeted demographics for O/H were graduate students at major university campuses, and nurses and doctors, attorneys, and accountants worldwide. O/H became the professionals drug of choice. The financial returns vastly exceeded their wildest imaginations, totaling in the mega millions, with significant monies invested in social services helping those in need, professional development, and legitimate international business investments that prospered. Money laundering is the back end of the international drug trade. The combination of both opium and hashish into a high profit, higher quality product, was a true marketing genius for the time. It took the combined brains of graduate students in international business, banking, and law to put into practice what they studied in...
