At the present time, there are few who have not heard about the benefits of meditation. Purification of thoughts is making all of our actions become more reasonable, and we ourselves relaxed and more productive. The Zen art of drawing or Zen doodling, if you prefer the term, arose from the primordial human desire to express him in a creative fashion, without knowing the fundamentals and rules of painting art. Lets acknowledge to ourselves that we all sometimes wished to be visual artists, but that this drive and desire was quickly pushed away by the belief that we are not capable of it. The book Zen Dogs: Drawing Zen Doodle Dogs offers step-by-step instructions on how to draw different types of dogs fulfilling their shape with seemingly tangled Zen patterns. Dog and puppy lovers (and there are plenty of us, I hope!), as well as the Zen and Zen art drawing enthusiasts, will enjoy the aforementioned guidelines, followed by a multitude of drawings, which will enormously facilitate the creation of your small works of art. Here is a preview of what you ll learn: - Zen Maltese -Zen Chihuahua -Zen Beagle: the head -Zen Beagle: the whole figure -Zen Basset -Zen Bulldog Enjoy reading and practicing, and do not forget to receive your FREE BONUS BOOK All the instructions you will find at the end of the book.
