AN ELEMENTARY GRAMMAR OF THE ENGLISH LANGUAGE (CLASSIC REPRINT)**DOWNLOAD**

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An Elementary Grammar of the English Language This work is intended for such schools as prefer an easier and less scientific work than the author s Treatise on the Grammar of the English Language. With some slight alterations and additions, this work contains the Suggestions for Teachers, the Introductory Exercises, the lists of the Principal Parts of Verbs, and the Paradigms of the Verbs, as found in the Treatise. The Exercises in Analysis and Parsing are on the same plan as the Introductory Exercises, and contain models of the analysis and parsing of nearly every variety of construction, with sentences carefully selected as exercises on principles fully illustrated before. The prominent features of False Syntax are presented in classified order. The author has endeavored to present the subject in as concrete a form as possible. He has not given any general definitions, deeming it of more importance for children to learn the facts of grammar, than to spend their time in learning definitions which they cannot comprehend. The teacher should prepare the recitation, and in doing so he will be better prepared to teach the lesson, if he consults that part of the Treatise referred to by the . In many schools, grammar is a dry and uninteresting study. It is not necessarily so. It may be made the most interesting of all studies. If the teacher will assign a page for a lesson, and insist on thorough and exact preparation, and will then adopt and carry out faithfully the plan suggested below, he will be astonished at the result. The author has taken special pains to make the models and rules comprehensive, accurate and...
