Xou Pty Ltd, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The kid s in a state - and if he doesn t play his cards right that could read Islamic State. Terrorists want to recruit him but he s too terrified to oblige. Instead he calls in Rainbow who finds himself in the thick of an affair that threatens to end in a bloodbath. Can Rainbow prevent it? How can his gorgeous former girlfriend help? Is Babychino - the beautiful dame who suddenly bee-bops into his life, complete with equaliser - all she s cracked up to be? And what s happened to his daughter Imogene? As Rainbow wades deeper into the mire, the case assumes what his Aunt Rube calls the colour of memory - indigo. Or should that be indigo, indicio or - as the one-legged assassin Rory has it - in-he-go? One thing s for sure, the morgue has never been busier . The Case of the Morgue the Merrier, the sixth novel in the sensational Mister Rainbow series, is a modern story with a wink and a nod to the golden age of pulp fiction. With its memorable characters, witty dialogue and fast-paced plot, it signals the arrival of an arresting new Australian talent. Praise for Mister Rainbow The Mister Rainbow series, in all its glory, is a real little gem. Karen Chisholm, The Newtown Review of Books Mister Rainbow is that rare creature - a PI with depth. Down at heel, shabby, inept - he s a born loser, at his best when the odds are stacked against him. Somehow, in a taut contest, he wins. Barry Oakley, novelist and former literary editor of The Australian.
