Do you have a program or programs that you currently use in your business? Do you want to educate others on your craft or trade? Do you have an idea that you want to launch as a program? Do you have a concept for an academy, school or university and are ready to take it to the next level? Do you offer OJT, job readiness or professional development training? Launching an academy, school or university with the intent to be accredited is a way to grow your brand and company s reputation as well as increase your income. Our team does the company set up and branding, builds your learning platform, reviews and revises or builds your curriculum, helps with hiring your teachers as well as the accreditation process. Building a university and getting it open for all students might be easy to say, but it is not that easy actually. Before you can get started in running your institution, you need to deal with a lot of things. Aside from the need to hire qualified staff and instructors, you also have to deal with the most important papers and documents that should be prepared and submitted to some government offices to get your university accredited.
