Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.

Ylva Verlag e.Kfr. Paperback. Condition: New. 286 pages. Dimensions: 7.8in. x 5.2in. x 0.8in. Is there life after loss Lee Glenn, co-owner of a private security company, didnt think so. Crushed by grief after the death of her wife, she uncharacteristically retreats from life. But love doesnt give up easily. After her friends and family stage a dramatic intervention, Lee rejoins the world of the living, resolved to regain some sense of normalcy but only half-believing that its possible. Her old friend and business partner convinces her to take on what appears on the surface to be a minor personal protection detail. The assignment takes her far from home, from the darkness of her loss to the dawning of a life reborn. Along the way, Lee encounters people unlike any shes ever met before: Wrong-Way Wally, a small-town oracle shunned by the locals for his off-putting speech and mannerisms; and Wallys best friend, Galle, a woman who not only translates the oracles uncanny predictions, but who also appears to have a deep personal connection to life beyond life. Lee is shocked to find herself fascinated by Galle, despite dismissing the womans exotic beliefs as hooley. But opening yourself to love also means opening yourself to the possibility of pain. Will Lee have the courage to follow that path, a path that once led to the greatest agony shed ever experienced Or will she run back to the cold comfort of a safer solitary life This item ships from multiple locations.
