The play, the world's longest professionally written play script, was it one created by an eclectic America, writer-playwright known as Gary Beers. This play is unique worldwide and atypical, per Gary Beers description. He successfully wrote this eclectic literary piece by himself for more than 27 plus years and recently had he finished it. He has now made it ready for its debut in its own production as an On-Off Broadway theatrical and a full-production event. He alone has brought it to a true and lasting state of perfection! Anyone who sees it now is seeing it exactly as Gary Beers always intended for it to be seen, read, and precisely performed!.
