Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Imagine an undisclosed legacy that contains the secrets of millennia past. Consider the possibility that a species of profound capacity co-exists and shares our experience of life on Earth. The Water Code reveals that water-in spite of its apparent simplicity, seemingly endless abundance, and presence within our physical bodies-is a highly evolved species holding billions of years of planetary history within its molecular structure. In this book, water initiates communication with humanity by sharing a message of compassion, empowerment, transformation, and enlightenment. Water discloses that it is coded to release Earth's Akashic Records at this exact moment in human evolution-a moment when the collective vibratory frequency has opened the floodgates of Truth. The Water Code guides readers through the process of establishing communication with water. Instruction is offered to aid one on this journey within, facilitating an increase in personal frequency by making and drinking harmonized water, integrating color, and balancing and energizing the 13 chakras. With communication established, water's code can be unlocked through focused meditation on a sacred geometric Key presented in this book. This unlocking reveals secrets of the 9 quantum realms of the Microverse and provides readers with an initial exploration into Earth's Akashic Library. The Water Code is more than just a book. It is an act of compassion on behalf of water, offering humanity the insights and tools necessary to facilitate Earth's transformational jump into a new era of Harmony, Freedom, and Truth.
