Barron's Educational Series Inc., U.S. Paperback. Book Condition: new. BRAND NEW, My Brother is Autistic, Jennifer Moore-Mallinos, Medical experts are just beginning to understand varying degrees of autism and its impact on both the autistic child and his family. This book describes an autistic child from his brother's point of view. It talks about ways autistic kids can be helped and how they can better relate to their family and surroundings. These sensitively written stories encourage preschool-age and early-grades children to explore their feelings, deal with problems that trouble them, and understand others who have problems of their own. Each title speaks to a particular concern that children might encounter in the course of growing up. All books in this series have appealing color illustrations on every page, and are available in both English and Spanish language editions. A short section at the back of each book offers related advice to parents.
