A Christian Stroll Through the Hebrew Bible: In the Beginning God. (Paperback)

By John F Wall Jr

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A Christian Stroll through the Hebrew Bible will be a welcome resource for both Christians and non-Christians who feel that their grasp of the Hebrew Bible (Old Testament) is tenuous. John Wall walks the reader through the major stories and lessons of God's wonderful message. The story is one of God selecting Abraham to found a nation to be his own possession, but his chosen people prove to be stiff-necked and unfaithful. Nevertheless, the Lord demonstrates his love, compassion, patience, and forgiveness time after time over the ages. The Hebrew Bible progressively reveals the nature of God and his love for all humanity. The epitome of this love is that he would eventually send his only begotten Son-the Word of God, the Messiah, Yeshua of Nazareth-to die for us and bear our punishment as the only acceptable sacrifice for the sins of the whole world!.

Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
