BRAND NEW, Creative Ecumenical Education: Learning from One Another, Simon Oxley, Everyday encounters and planned interactions can become the foundation for ecumenical learning and offer a powerful alternative to formal and book-based education. Creative Ecumenical Education explores ways in which to encourage this informal approach alongside and within formal education. It develops the idea that individuals and communities need to recognize, value and utilize effectively the learning opportunities which surround them. Creative Ecumenical Education challenges readers to consider the implications of ecumenical learning and offers ideas for fostering such learning in local congregations, educational institutions and church-related groups.
