By Michael P Kube-McDowell

Ibooks, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.BEYOND AURORA AWAITS A BRAVE NEW WORLD.OF ROBOTS A man without a memory is stranded in a world-enveloping city filled with robots gone wild. At his side is a mysterious young woman who claims to know who he is but refuses to tell him. According to The Three Laws of Robotics, A robot may not injure a human being, which narrows the suspects dramatically when the robots find a dead human body. The man calls himself Derec; the woman is know as Katherine. Their real identities, along with that of the murder victim and the murderer, are just a few of the life-and-death mysteries the unlikely pair are forced to solve to survive on the fantastic streets of Robot City. Michael P. Kube-McDowell was raised in Camden, New Jersey. He attended Michigan State University as a National Merit Scholar, holds a master s degree in science education, and was honored for teaching excellence by the 1985 White House Commission on Presidential scholars. Kube-McDowell s stories have appeared in such magazines as Analog, Asimov s, Amazing, and Fantasy and Science Fiction, as well as in various...
