THE WISDOM OF JED: NOTES FOR A JEDI LIFESTYLE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Eons ago, long before the founding of the Jedi Order of Knights, there lived a wise old creature. Nothing is known of the species, race or gender of this creature. All that is known is that he or she ended their life as a hermit in a cave in the Tartegus Mountains of Manius in the solar system of the Orphius star in the galaxy of Sokolata. Before death this creature inscribed a series of graphene sheets with notes on how to live a virtuous life in unity with the force. The sheets were enclosed in a graphene casket engraved with the name JED. A group of speleologists on a caving expedition in the mountains came across the casket alongside a collection of bones. When they opened the casket, the cave began to shake in the grip of a sudden maniusquake. They grabbed the casket but left the bones and escaped just as the cave was engulfed in a rock fall which totally obliterated the entrance. No creature has been able to locate the cave since. It is not known if this collection of wisdom formed the basis for the Jedi Order or if they came to the force independently. The wisdom of Jed refers to ordinary aspects of life rather than relating to warfare for which the Jedi are best known. This translation seeks to make Jed s words relevant to our time and age on this planet. Includes eight FEEL THE FORCE exercises.
