Brand New Book ***** Print on Demand *****.In Speaking for Spot Dr. Nancy Kay taught us why we need to be medical advocates for our pets and how to fulfill this important role. In Your Dog s Best Health she takes us to the next level by spelling out what is reasonable to expect from your vet. The book s clear, humor-laden content focuses on relationship centered care, a style of communication that facilitates collaborative discussion with your vet about your dog s diet, vaccinations, second opinions, referral for specialized care, your Internet research, and medical and financial options. Additionally, Dr. Kay teaches you to expect round-the-clock care, email communication with your vet, and the opportunity to be with your beloved pet when he or she passes away. The last chapter of Your Dog s Best Health is reserved for clarifying what your veterinarian reasonably expects from you! What you learn will result in a win-win-win situation for you, your dog, and your veterinarian. Visits to the vet will never be the same! This book is filled to the brim with new and wonderfully practical information and advice. In her usual direct and humorous style, Dr. Kay has once again established herself to be a stellar advocate for successful communication between pet owners and their vets. --Dr. Marty Becker, Featured Columnist and Veterinary Contributor for Good Morning America and the Dr. Oz Show Brilliant!
