

What Does Europe Want?: The Union and its Discontents

By Slavoj Žižek, Srećko Horvat

Istros Books. Paperback. Book Condition: new. BRAND NEW, What Does Europe Want?: The Union and its Discontents, Slavoj Žižek, Srećko Horvat, Despite the fact that the European Union faces the biggest crisis since its foundation, on July 1st, 2013, a new state joined the club. For the foreseeable future, Croatia will probably be the last to join; at the same time creating a barrier between the once connected states of the Balkans. Paraphrasing Freud's famous question - 'What does a woman want?' - one of the greatest European philosophers of our day, Slavoj Žižek, joins forces with the young Croatian philosopher, Srećko Horvat, to examine the burning question 'What does Europe want?'. Instead of a peace-project, the European Union is increasingly turning into a warzone: whether it be the expulsion of immigrants or riots in Paris and London, or European interventions to bring "more democracy" to Libya or Syria. Instead of leaving Europe to the enemies, Žižek and Horvat reflect on the fight for a different Idea of Europe; one that embraces all its peoples equally.

Reviews

It becomes an remarkable publication that we have possibly go through. It is among the most remarkable book i actually have read through. Your lifestyle period will likely be transform when you total reading this publication.

-- Dominique Bergstrom

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.
