Community and Public Health Nursing: Evidence for Practice (Paperback)

By Harkness

Lippincott Williams and Wilkins, United States, 2015. Paperback. Condition: New. Second, North American Edition. Language: English . Brand New Book. Publisher's Note: Products purchased from 3rd Party sellers are not guaranteed by the Publisher for quality, authenticity, or access to any online entitlements included with the product. Develop the critical thinking skills and complex reasoning abilities you need to make connections between data and community and public health practice decisions with Community and Public Health Nursing, 2nd Edition. Succinct, manageable, and logically organized, the book focuses on the individual in the context of the community setting and on the global community, reflecting increasingly global healthcare concerns. Principles of epidemiology and basic biostatistics are integrated with core principles of community and public health nursing to provide both the methods and the knowledge you need to gather, analyze, and evaluate data as evidence for community health practice decisions. Case studies in every chapter give you an opportunity to apply community health concepts to real life scenarios, stimulating your critical thinking and analytic skills. Coverage of health and cultural disparities, including ways to modify health care delivery systems to meet specific needs, is reflected in case studies, practice concerns, and evidence-for-practice examples. Concrete examples that...
