

OSHA Defense for the Construction Industry (Paperback)

Filesize: 8.99 MB

Reviews

I just started out looking at this ebook. This can be for those who statte there had not been a worthy of reading through. You can expect to like the way the blogger publish this ebook.

(Dr. Freddie Greenholt Jr.)

OSHA DEFENSE FOR THE CONSTRUCTION INDUSTRY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The second biggest threat to the construction industry, behind the lack of skilled labor, is the unchecked expansion of regulatory agencies. Absolute power corrupts absolutely, and unfortunately, OSHA has been given the authority it needs to single-handedly put contractors out of business if it so chooses. The purpose of this book is to provide contractors, trades, design professionals, suppliers, manufacturers and others in the industry with an understanding of their rights during an OSHA inspection as well as critical defenses to use after an OSHA citation has been issued. Topics include safety compliance, recordkeeping and reporting, responsible use of social media, constitutional protections, witness statements, settlements with OSHA, willful citations, and a discussion of defenses including unpreventable employee misconduct, multi-employer site defense and the greater hazard defense. Finally, the book discusses some of the recent regulation changes including the new silica standard, the new confined space standards, and the increase in OSHA fines.
