A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

Freedom from dependency starts with understanding that alcohol and drugs are not the problems says Chris Prentiss author and cofounder of Passages. They are merely the substances you are using to help yourself cope with your real problems anything from hypoglycaemia or a sluggish thyroid to brain-wave pattern imbalances or deep emotional pain. Once your underlying problems are discovered and cured your need for drugs and alcohol will disappear - along with your craving. Prentiss should know. His son Pax was addicted to heroin cocaine and alcohol for ten years. They sought help everywhere but Pax relapsed again and again. In desperation they finally created their own holistic hand-tailored programme that was a complete break from all other programmes and that combined several effective therapies. It saved Pax s life. Together father and son founded Passages to help others find their own freedom. A visionary and an innovator Chris Prentiss brings new hope to people everywhere who are dependent on drugs and alcohol.(cdxh, cdzh).
