Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In 695 A.D. in a remote Siberian cave, a child is born; a girl unlike anyone else on the planet. Fifteen hundred years later on a cold, snowy night in British Columbia, a mysterious man stumbles into a small hospital s emergency room looking for help. From his severe wounds it is clear he has been brutally tortured. Before succumbing to his injuries he tells Doctor Dalilah Sweetwater an unbelievable tale of a special breed of Viking warriors known as the Vidar and of a battle between them and an archaic species of vampire like people who have existed on Earth for eons. The more he divulges, she quickly realizes it was by no accident that he staggered into her emergency room. He reveals a long hidden dark secret he knows about her and instructs her to find a man named Rukon. Months later, she finds the elusive Rukon and learns of a horrifying prophecy about the rising of a woman known as the Angel of Siberia and her vow to destroy all mankind. Together, they set out on a worldwide search to find the location of where the woman is said to be buried and stop her before she awakens. But, what Dalilah discovers is more terrifying than everything she had been told and she soon finds out, she is not the only one with something to hide. Unlike any vampire story you have ever read.
