Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.

In the beginning of the story, Rome tells us that God put an enmity between Eve s seed and Satan s seed. Near the end of the story, Rome tells us to put on our Christian Armor to fight against the unseen spiritual opposition force. We honor Sun Tzu for coining the phrase, Know your enemy. Yet, Rome seems to have purged that side of the story out of the official version, while becoming the only official authority of demonology. Curious?.
