Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Model-Insect Money of Ancient China The greater part of the information contained in the following pages is mainly derived from an article by the author on the same subject and under the same heading, which originally appeared in the Numismatic and Philatelic Journal of Japan. The present monograph is, nevertheless, more than a mere excerpt from the above publication, since its scope has been considerably extended so as to include other matters having an indirect bearing on, if not actual connection with, the question under discussion. Readers acquainted with my previous efforts will consequently find herein embodied new material which it is hoped will add further interest to the topic indicated by the title. Although this contribution - the first of a uniform series which will be periodically published - is primarily intended for advanced scholars in this special line of study and research work, it has been at the same time written in a simple style with the endeavour of making it also as attractive as possible to the general reader. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
