EVERYMAN CHESS, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. This series provides an ideal platform to study chess openings. By continually challenging the reader to answer probing questions throughout the book, the Move by Move format greatly encourages the learning and practising of vital skills just as much as the traditional assimilation of opening knowledge. Carefully selected questions and answers are designed to keep you actively involved and allow you to monitor your progress as you learn. This is an excellent way to study any chess opening and at the same time improve your general chess skills and knowledge. The Winawer is a very popular choice amongst French Defence players. It enjoys a sound reputation and reaches positions rich in possibilities for both players. It offers Black the opportunity to enter sharp, dynamic lines, such as the notorious Poisoned Pawn Variation, as well as lines which are more strategic in nature. In this book, FIDE Master Steve Giddins invites you to join him in studying the French Winawer, an opening which he has played for over 25 years, and its many variations. He examines instructive games, covers the most important lines and provides answers to all the key questions.
