## Physiology and Healing: Treatment, Therapy and Hygiene - Spiritual Science and Medicine (Paperback)

By Rudolf Steiner

Rudolf Steiner Press, United Kingdom, 2014. Paperback. Condition: New. New edition. Language: English . Brand New Book. The intention is to take a practical subject and show how our spiritual science with anthroposophical orientation truly can play an effective role in everyday life. - Rudolf Steiner Following his first major lecture course for medical practitioners, Rudolf Steiner sought to elaborate and deepen his extension of the art of healing from a spiritual-scientific perspective. In this collection of addresses, discussions, question-and-answer sessions and lectures - running parallel to his major medical cycles - Steiner comments on contemporary medicine's emphasis on experimental, materially-based research and its subsequent lack of attention to therapy. Steiner's intention is not to detract from developments in medical science but to build on them with spiritual science - not quackery but a true art of medicine. The medical practitioner has an important task: diseases must be cured, and it is wrong not to intervene and simply to allow karma to take its course . Speaking to audiences ranging from members of the general public to small groups of medical professionals, Steiner offers new insights into our understanding of human organs such as the brain, kidneys and...
