Xlibris Corporation. Paperback. Book Condition: New. Paperback. 48 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. The objective is to examine some traits as one grows from mental slavery, civil rights, and towards redemption to enlighten one's journey of knowledge. This comes from the mental choices made with adolescent ways. Taking studies from the understanding that this gathered intelligence teaches that not only faith can be increased, but awareness may be examined too, to understand what provocations one is subjected to in this other world. This view comes from not worrying about what is to come, but common sense to prepare for what is to happen. Experience is the point, revolving around short stories of our ties to roots, rock, reggae, love, and spirituality. Goals are beyond personal achievement to knowledge of self in the political arena, resulting in examination of the bondage and glory of the culture behind our spirit. A drama has already been played, so one is partially acting out a part of the ancestral spirit, who struggled and survived some of the same circumstances. As a separation, variation in thinking and philosophy supports change due to uniqueness in character. So the theory derives, and there is an increase in personality and situation is handled. Therefore, the ideas are a journey's notice of difference in what is called a need for a true image. This is, however, a challenge due to hard or distinctive definitions. The challenge is how hard it is to press on against stagnation and major beliefs. The notice that one has is differs based on variables chosen in making up a belief system. In other words, aspects of life and experience offer challenges against nature, providing a fresh take on what is dealt. Ideas as peripheral explanation are views of ancestral past that is a...
