Brand New Book ***** Print on Demand *****.Geometric Puzzle Book One is a collection of 40 very different puzzle worksheets that cover a variety to subjects to include: vocabulary skills, reasoning, spelling, dictionary knowledge, math, geography, facts, word meaning,plus more. The puzzles require students to use use their thinking skills in order to: (1) think and reason, (2) follow directions, (3) match facts, (4) use design information keys, (5) complete geometric designs using learned information and finally coloring finished geometric designs. The book cover shows four creative designs worksheets in Book One in finished form. All 40 worksheets produce vibrant and interesting pieces of art. This book is appropriate for grades 4-8 and can be utilized at grade 3 for advanced students, in learning centers, for home schooling and are great for the everyday puzzle solvers. Once the the puzzle information is used to answer questions and or matching puzzle data the draw drawing directions are followed. All puzzles require students to draw straight and or curved lines. Straight and curved lines create various sections of the design pattern. Once all sections are drawn and the total design is complete each section contains a number. The numbers are used to color the design following a color key. Teachers have permission, from the author, to produce classroom copies. Geometric Puzzles Book Two is also available with 40 new puzzles and 40 great designs.
