MODERN DEVELOPMENTS IN MEDICINE (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Modern Developments in Medicine The Presidential Address and two papers with discussions following, which form the contents of this small volume, were read at the meeting of the British Homoeopathic Congress held in London in July last. They are reprinted from the Monthly Homoeopathic Review, and published in the present form by request of the members of the Congress, and other subscribers whose names are appended hereto. The photographs are added as a souvenir of the interesting occasion mentioned. The aim of the volume is to circulate as widely as possible the view that modern developments of research in bacteriology and physiological chemistry in their bearing on general biology and practical medicine are confirmatory illustration of the operation of the single principle or law known as homoeopathy or similia similibus curantur. At the request of the Council of. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
