Xulon Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. p.p1 p.p1 Two by Two: Courtship by Design is a fun, informative read. It embarks readers on a rabbit trail of global destinations where animal habitats come alive. The compilation of enjoyable story-chapters are strung together with a compatible theme that will whet appetites of savant and novice alike. Courtship behaviors of various animal species are personified with a smattering of metaphor, muse and allegory, as well as a dot of tongue cheek playfulness. Scientific, historic and Biblical truths are hidden within the pages that bring glory to God, the Creator of the Universe. By delving deeper into species-specific animal niches and behaviors, God's intentional hand of perfection is seen in every creative stroke and even what looks like chance is actually under his thumb. Courtship by Design seeks to help readers understand the magnificence in the details of creation, and as a result, to stand in awe of the Almighty God who brought everything that is into existence. p.p1 .
