Createspace, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Orgonite Revolution is underway: During the last few years, a small but growing group of people worldwide has started a peaceful revolution planet-wide environmental healing with orgone energy. This book is essential reading for anyone who is interested in holistic healing and the convergence of advanced science with the mystical world view. It is also a book for all those who are worried about the tendencies of a small elite to create a worldwide Orwellian Superstate by means of secret manipulation of world events, centralisation, and secret chemical and electronic warfare against humankind. It is time to reclaim planet earth for humanity. The compelling message of this book is: Together we can create Paradise! The colour edition is identical with the b/w edition published on, except for the coloured rendition of all the approximately 900 pictures.
