Ocean View Books. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 8.5in. x 5.5in. x 0.6in. A classic Kathryn Shay contemporary romance with a time travel twist. The PORTALS OF TIME trilogy combines heart-wrenching emotions and biting social commentary with unique futuristic elements. Three women travel back from the 26th century to right the wrongs of society today so that humankind can continue to exist. Journey with them as they fight for both the future and the men they unexpectedly come to love. In ANOTHER TIME, anthropologist Alisha Law has accompanied her two colleagues to the present day because she understands the customs, mores and convoluted language of the 21st century. Not only does she dislike everything about this time period, but she's mystified by its odd sexual customs. When Pastor David Ryan befriends her, she's confused about him, too. He actually believes in a Supreme Being and the archaic concept of religion, neither of which exist in her time. But when they grow close, and fall in love, she becomes wary when he asks her to break all the rules of time travel. Praise for Kathryn Shay's novels Kathryn Shay writes some of the cleanest prose around, and it's my belief she'd make the Yellow Pages sound interesting if the phone company put her on staff. And Ms. Shay knows her way around a steamy love scene. The Romance Reader Shay does an admirable job with a difficult subject, writing with sensitivity and realism and without shying away from any of the hard issues. Shelley Mosley Booklist What a great book. Controversial subjects handled in a sensitive and yet honest way--characters that just walked off the page, real and warm. The story just kept coming. A heart toucher, about problems with no easy solutions. Wonderful! Don't miss! A Reader This item ships from...
